Subject: Docket No. 2020-50-E - Pension Costs Rate Rider

To Jeff Nelson:

I recall having received a notification that ORS was going to have a response on the above-noted matter by April 1. Believe me, with this COVID-19 business going on with all its accompanying confusion, I understand that the usual workforce may not be in place to accomplish this response. However, I was wondering if you might give me an estimate as to when we might get the ORS document on this pension costs rider matter? And believe me, I know that everyone is doing the best that they can under the circumstances, and I am not trying to be pushy about it. An estimate would be great though, for planning purposes.

Thanks,

David Butler
